## SUMMER SCHOOL

Summer school will be **HERE** this summer!

Please be aware of the following:

—All **LCD projectors and document cameras** need to be turned in, unless you are here teaching during the summer!

—All your materials (class sets) need to be stored away! I'll be giving out different class sets for summer, and don't want any confusion!

## NEWS ON EQUIPMENT

--CPH has a limited number of LCD projectors and document cameras. Please be very careful with your equipment! There is no fixing document cameras, and new bulbs for LCD projectors cost anywhere between \$130-\$300.

—Make sure that you clean the lint filter on your LCD projector, if it has one! Come by the library if you need help out how to do it!
